*When Jesus was baptized, he immediately came up out of the water. Heaven was opened to him, and he saw the Spirit of God coming down like a **dove** and resting on him. A voice from heaven said, “This is my Son whom I dearly love; I find happiness in him.” [Matthew 3:16, CEB]*

All four Gospels in the Bible tell the story of Jesus being baptized. And all four accounts describe the Spirit of God coming down like a “dove” to rest on Jesus. A generation ago, Lorna Benson, along with Pastor Joanne Bartelt and the 2003 Confirmation Class, created the doves that grace our sanctuary, representative of God’s Holy Spirit, moving through our worship and in the lives of those who are baptized and confirmed here. Through 2006, Lorna continued to create doves with our confirmands. Then, life happened, and the practice of hanging a dove for each confirmand fell by the way. This year, on Transfiguration Sunday, Feb. 14, we confirmed a new group of 10 young people, and Lorna was moved to take up the task again. With Ken’s help, they already have 10 new doves ready to be placed in the sanctuary. They’ve also repaired a few of the older ones and are working on an additional couple dozen for students confirmed in the intervening years.

On **Sunday, June 6**, we’ll have the entire bevy of doves in flight in our sanctuary, a visible reminder of those lives committed to Christ in this place; a powerful affirmation of God’s Spirit continuing to move among us all, calling us each Sunday to commit ourselves to proclaiming the love of Jesus Christ. We’ll also be hosting an after-worship, outside reception on June 6 for those 10 confirmands and our 2021 high school graduates, celebrating God’s Spirit present in their lives and all they have accomplished. If you were part of any previous confirmation class, you’re welcome as well. With God, we too will affirm those we dearly love and in whom we find happiness and blessing. I hope you’ll mark your calendar now and plan to join us.

Thank you to Lorna, Ken and Pastor Joanne; to our confirmands, their families and mentors through the years; to all who nurture the next generations; and to God’s Holy Spirit, with us.

*Pastor Cathy*

If you are a teen in a school band, being a part of the church band will greatly help to keep your lip in shape over the summer. Our goal is to practice together once a week and play for the church service on May 30 and then the third Sunday of the month after that. Contact Lisa in the office or at 420-1311 if you would like to be in the **church band**.

### Special music during the summer

Please sign up on the bulletin board or by calling the office.

### Pastor Cathy will be away from May 13-25.

## What Memorial UMC people are doing to make a better world

On Saturday, April 24, the Stanek clan planted well over 300 trees! We give a big “thank you” to the Staneks, Buckleys, Naults, and Stammers for helping to replenish the earth. The very next day, Pastor Cathy’s sermon was based off the book *The Man Who Planted Trees*, about a man who planted 100 trees a day for decades.

If you know something that someone from this church is doing to make the world a better place, let us know.

## Knitters needed!

A group of dedicated knitters meet every Wednesday morning at 9:00 to create items for our bazaars and also for various missions projects, locally and far away. They have a great time fellowshiping while creating beautiful items. If you like to knit or do other crafts, please stop by some Wednesday morning. They would love to have you join them.

One of the projects they work on is “Warmth for Warriors,” knitting caps that go under the soldiers’ helmets. If you have been creating “Warmth for Warrior” hats at home, please bring them in immediately. We will be shipping them off. Questions? Call Lettie Houghton.

*Just a small sample of the items knitters here and remotely have created.*

*Liz Kempher, Lettie Houghton, Joanne Gudwer, and Peggy Richter*

**Creative Cards** have been designed by the Knitting Group for sale for \$2 each. Please check them out in the narthex, by the bulletin board. Proceeds go to the building fund.

This fundraiser will be a 5K called "Color Your Faith" and will take place on Saturday, May 22 at Bethany Lutheran Church, 202 S. 11th St, Escanaba. There are many ways to participate. You may run/walk, help at a color station to spray participants as they pass by, or set up a color station from our church to spray runners as they go past. If we have a group interested in setting up a color station, volunteer T-shirts (up to 4 people per station) plus all the colorful powered dye will be provided. The station will need to be set up by the start of the event which will start at 9:00 am and last until the last runners/walkers go past...best guess no later than an hour. Afterwards volunteers along with runners and walkers are invited to Bethany for refreshments plus a “Color Bomb photo” where all participants toss color up in the air. Registration forms are available at MUMC office. You could also obtain a registration form via email to print out yourself. Contact Lisa at the church office. Registrations and checks may be left at MUMC office and will be given to the coordinator in time for the event or sent to Bethany Lutheran Church. # Camp Michigamme

## Worker Bee Day/Weekend

Our Worker Bee weekend is going to be held on May 15th-16th. The open day for any volunteer coming without a specific skill set, or any age, is May 15th from 9am-5pm. We'll be running around clearing trails, and deep cleaning buildings. We can find jobs that are suited for any age or physical ability that would like to volunteer. We will also allow overnight stays for those who travel far and are in need. We'll be providing lunch, and everyone is asked to bring a mask. We are also looking for some skilled laborer volunteers for big projects. Skill sets in Carpentry, Plumbing, Excavation, and Tree Removal are all in high demand for the bigger projects we need to work on, and crews that want to work on those big projects can stay the night and work through the weekend as well. We'll have a service in Hampton Chapel on Sunday for those who stay the whole weekend. Any volunteer organization done at the congregation level would be greatly appreciated. Please let us know also if those skilled laborers would like to donate use of their special equipment and/or construction material donations. The buildings that will be subject to the biggest skill related projects are Lakeside Cabin, and the finishing of the Agape Wigwam.

## Registration

I've attached a flyer for the dates of all the camps at Camp Michigamme this summer. All registrations are online right now, but if you have a technology issue, call me at 216-217-5011.

## Call for Counselors and Volunteers

If you have members of your congregation that are aged 18-25 that could use a summer job for 9 weeks and would be great camp counselors, please send them my way by having them fill out the online application on the website. If you have adults and teens, aged 16 and up, of any age, who want to volunteer with our kids for shorter periods of time, like 1 or 2 weeks or a few days or a weekend, tell them to fill out the same application and I'll get back to them soon. When it comes to staff we have a great leadership team put together, but will need a few more counselors of both genders. For volunteers we have much enthusiasm for Senior High Camp and that week is full of volunteers, but we could use more volunteers for every other week of camp.

## Michigamme Day

Michigamme Day is going to be Saturday June 12th. The big event for Michigamme Day will be dedicating the new Agape Wigwam. We'll have several fun events and ceremonies, and we'll be serving lunch. Covid protocols for that day are not yet certain and more info will come as we get closer. We'll be requiring that everyone brings a mask. Masks will likely not be required as most of the day will be outdoors, but we will likely have separate mask and mask free seating sections (All events will be outdoors), and we will require that if people choose to wear masks, then unmasked persons will be required to put on a mask to approach someone who chooses to wear a mask. Also we'll be having a luggage drive on Michigamme day. More information will come in the next few weeks, but here is the preliminary sparknotes. I'm a foster parent, and children in foster care often have to move in rushed and uncertain conditions. Often when foster children don't own a backpack or a suitcase, the social workers only have a black trash bag to provide the child to gather their things for the move. Actress Tiffany Haddish grew up as a foster child and vowed that as an adult she would do everything she could to make sure kids never had to feel like garbage and she has a charitable foundation called the She Ready Foundation which donates luggage to foster care agencies. With the blessing of her foundation, we will be collecting used or new luggage at Michigamme day to donate to the foster care agencies that operate in the Upper Peninsula. Specifics of what we can collect, and promotional flyers will be developed soon.

Very Respectfully,

Pete Stahlbrand
